

# Wellington Place Primary School Opening September 2024

# DISCOVERY

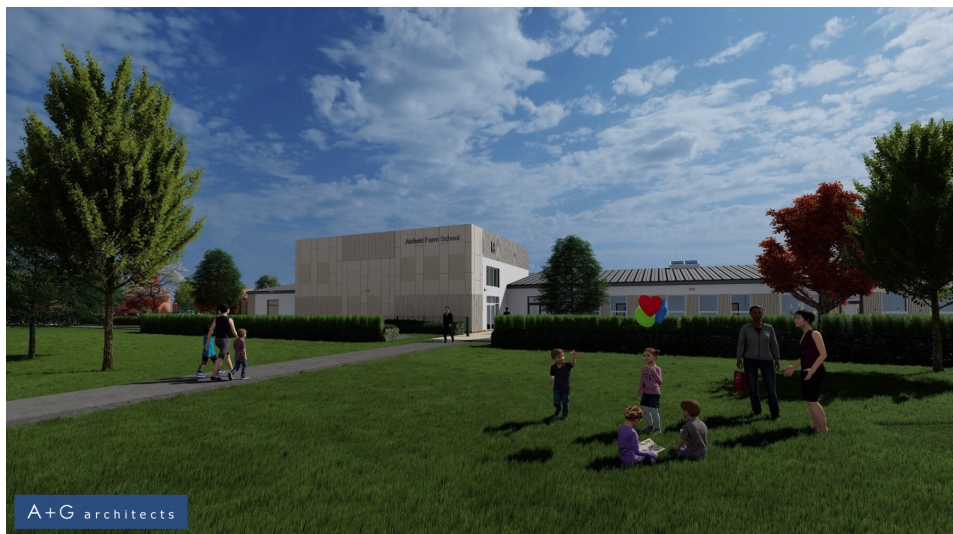

**Wellington Place**  
Primary School  
*Learn, Lead, Achieve, Succeed*

Discovery Schools Trust will run the 210-pupil newly named Wellington Place Primary School, which is currently under construction off Airfield Road on the William Davis' Airfield Farm housing estate.

Discovery Schools Trust very much wishes the education experience at Wellington Place to be designed with pupils at its heart; giving pupils the tools to become active citizens through their exploration of meaningful experiences, exploring the past, the present day, and how their learning could impact the future.

Discovery Schools Trust would like to hear from any community members wishing to get involved with the new school's development by becoming an Advisory Board Member. If you are interested please contact Discovery Trust using the email provided.
