This morning, the creation station was a hive of activity.

The creation station is not just a place for individual expression; it also fostered collaboration and social interaction. Children share ideas, offer suggestions, and admire each other's work.

Dear Families,

Happy New Year! We hope you had a lovely Christmas with your families, filled with joy and cherished moments. As we step into 2025, we are filled with excitement and anticipation for what this new year will bring for our school community.

We hope that the children are well-rested and re-energised, ready to embark on a new term brimming with opportunities for learning and growth. We are eager to start the new year with a wonderful celebration of the upcoming Chinese New Year. This Thursday on the 9th January, we kindly ask that the children wear their PE kit for our celebration day.

In addition to our vibrant festivities, we are thrilled to welcome a new family into our school today. It is always exciting to see our community grow and thrive, and we are eager to embrace new friendships and opportunities for shared learning. Welcome to Wellington Place Primary School!

We would also like to remind you of the upcoming Phonics Parents Workshop with Miss Harland, scheduled for after school on Monday, 20th January. This workshop is designed to share with parents our Read Write Inc Phonics programme and provide valuable insights on how to support your child with reading and writing at home. We encourage all parents to attend and benefit from this informative session. Your engagement and dedication play a crucial role in creating a nurturing and stimulating environment for our children. We hope that the new year brings joy, health, and success to all our families. Let us embrace the opportunities it presents with enthusiasm and a renewed commitment to fostering a love for learning in our children. Warmest regards,

Cressida Knox
Headteacher
