Learn, Lead, Achieve, Succeed

Dates for your diary:

Friday 11th April

2.30pm

Spring Performance -

Easter Bonnet Parade as part of the Spring performance, 2 adults per child as the hall will be filled with Badgerbrook children and staff too.

Friday 11th April - end of term.

Back after Easter on Monday

28th April

Spring has arrived, bringing sunshine and warmer weather. The Foundation children are delighted to use the outside area more frequently, and we are eagerly planning the design of our outdoor learning for the summer term. We will be introducing a new Scientific Magic Potion Centre in the Foundation playground to stimulate curiosity and creativity.

As the Easter holidays approach, we will be saying goodbye to our Badgerbrook visitors. These connections have been incredibly meaningful for all involved, and we intend to arrange a trip to Badgerbrook during the summer term to continue fostering these precious relationships. We greatly appreciate your support during this period with a full school. To mark this special occasion, the final goodbye assembly on Friday, 11th April, will be part of our Spring show that you are all invited to at 2.30pm as we will have Badgerbrook children and staff in the hall too we will need to limit this to 2 adults per child to join us for the performance. During the show, Wellington Children will perform and proudly wear their Easter bonnets. Please remember that creating Easter bonnets is part of a homework project but if you require the bonnet to be made in school then please do let us know before Wednesday next week.

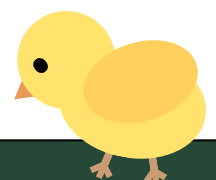

We would also like to remind you that Parents' evening is scheduled for this week. The children's progress has been incredible, and we look forward to sharing their achievements with you. The Parent meetings will be held in the interview room opposite the school reception, and children can stay at Afterschool club with Dali during the meeting time. Each meeting with Miss Harland lasts ten minutes; however, if you feel additional time is needed or a further meeting with myself, as always extra parent meeting arrangements can be made through the school office.

SAVE THE DATES

Looking ahead, we have several exciting events planned for the Summer term. We have been kindly invited to Sports day at Farndon Fields on the morning of 18th June and Sports day at Kibworth C of E on the afternoon of 27th June. More details will follow but I wanted to give you these two dates for your diaries. Furthermore, Market Harborough Town Carnival is on Saturday, 14th June. We have submitted an application for a float and will provide further information as we receive it. We hope to see many of our families there to celebrate and enjoy the festivities.

Thank you for your continued support and involvement in our growing school community.

Warm sunny regards,
Mrs Knox, Headteacher
