Christmas Craft Afternoon

We invite one member from each family to join us for a creative afternoon making cardboard Christmas trees to decorate the hall for show week. To make this as sustainable as possible, please bring into school on this day (please only this day): Cardboard boxes (any size), pattern paper, pattern tape, wrapping paper and tinsel. Your contributions will help us create collaborative, festive craft masterpieces!

Reminder :Please ensure all school uniform items, including hats and gloves, are clearly labeled. It's important that children know what belongs to them, especially during the colder months when extra layers are needed. Thank you for your continued support and enthusiasm. We look forward to celebrating the festive season together and making December just as memorable as November!

Kindest regards, Mrs. Knox, The Proudest Headteacher
